The **Test Series** for **ICMR-2010** exam will start from **28th June, 2010** and it will cover all the major areas of this exam. This Test Series is strictly at par of ICMR, July 2010 exam.

Note: Above schedule of Test Series may change with prior information in accordance with regular classes.

“HELIX ACADEMY is the brand name for guiding the students in Life Sciences. There are several other coaching institutes in same area but they are not able to give JRF qualified faculty to the students. I know some of my friends who have joined other institutes for fee, but they have spoiled at least one year and are now planning to join HELIX ACADEMY in next batches”.
